

One People. One Planet. One Nature.

We are One Nature

One Nature Hotels is an esteemed collection of ultra-luxury boutique hotels situated in some of the world's most captivating and exotic locations. Every destination offers 5-star luxury accommodations and nature-based adventures, complemented by upscale service, top-quality amenities, and a commitment to sustainability.

Our portfolio currently boasts two exquisite properties: One Nature Nyaruswiga, located in the heart of Central Serengeti, and the eagerly awaited One Nature Mara River, set to open its doors in June 2024.

At One Nature, we prioritize sustainability, conservation, and community. We are dedicated to preserving our planet and nurturing thriving communities, reflecting our belief in cherishing One People. One Planet. One Nature.

One People. One Planet. One Nature.
