If you are traveling or in transit from these countries, it is very important that you have your Certificate of Vaccination or Vaccine Booklet with you in case airport officials ask for it upon your arrival.

**VISA**

Some nationalities may require pre approved Visa; therefore we recommend that you check and confirm with the Tanzanian embassy prior to your trip. For nationalities that can obtain a visa upon arrival it is very important to note that you will be asked to pay a USD 50/person (USD 100 for American citizens) Visa Fee in cash at the immigration. The immigration may not have change so it is advisable to carry the exact amount for a single traveler or an odd number of guests.
