

IMPORTANT TRAVEL INFORMATION

BAGGAGE REQUIREMENTS

Baggage weight on the chartered flight going to the camp area is limited to only 15kg per passenger. To accommodate the cargo space and weight limitations, it is also required that you use only soft-sided duffel bags. Some airlines offer special tickets that allow for extra weight, but conditions apply.

YELLOW FEVER VACCINATION

Yellow fever vaccination is required for all travelers aged one year and above arriving in Tanzania from countries with risk of yellow fever transmission, or who have transited through these countries for more than 12 hours. A valid yellow fever certificate must be presented upon arrival. Travelers coming directly from non-risk countries do not need the vaccination.

The following countries are considered at risk:

Angola, Benin, Burkina Faso, Burundi, Cameroon, Central African Republic, Chad, Republic of the Congo, Côte d'Ivoire, Democratic Republic of the Congo, Equatorial Guinea, Ethiopia, Gabon, Gambia, Ghana, Guinea, Guinea-Bissau, Kenya, Liberia, Mali, Mauritania, Niger, Nigeria, Rwanda, Senegal, Sierra Leone, South Sudan, Sudan, Togo, Uganda, Argentina (Misiones and Corrientes), Bolivia, Brazil, Colombia, Ecuador, French Guiana, Guyana, Panama (east of the canal), Paraguay, Peru, Suriname, Trinidad (island only), and Venezuela.

VISA

Some nationalities may require pre approved Visa; therefore we recommend that you check and confirm with the Tanzanian embassy prior to your trip.

For nationalities that can obtain a visa upon arrival it is very important to note that you will be asked to pay a USD 50/person (USD 100 for American citizens) Visa Fee in cash at the immigration. The immigration may not have change so it is advisable to carry the exact amount for a single traveler or an odd number of guests.
