MARA RIVER, TANZANIA

One People. One Planet. One Nature.

LOCATION & WILDLIFE

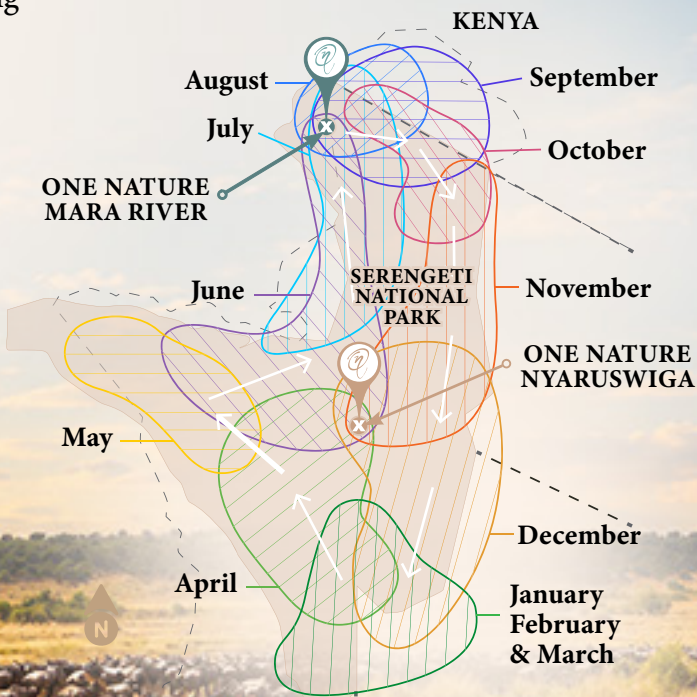

Closest Airstrip: Kogatende Airstrip is approximately 45 minutes from the lodge by safari vehicle.

BIG FIVE YEAR-ROUND

The Northern Serengeti offers exceptional year-round game viewing, including the Big Five, where endless landscapes and quiet surroundings create a true sense of escape.

THE MARA RIVER CROSSING

From July to October, the Mara River becomes the stage for one of nature's most extraordinary spectacles, as vast herds of wildebeest and zebra brave its waters during the Great Migration. These dramatic crossings unfold within easy reach of the lodge.
