

ONE NATURETM
NYARUSWIGA, SERENGETI

One People. One Planet. One Nature.

LOCATION & WILDLIFE

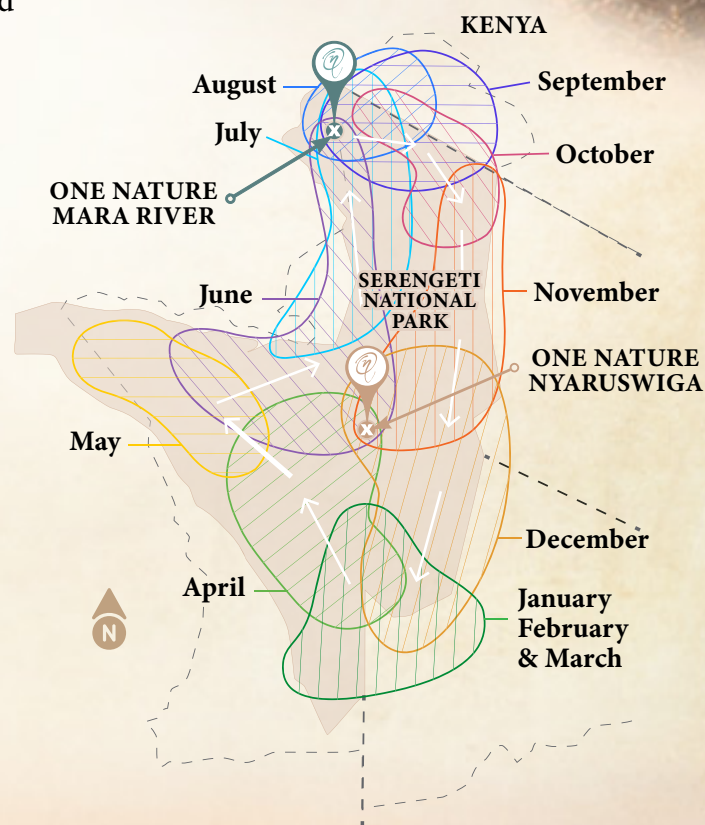

Closest Airstrip: Seronera Airstrip is approximately 25 minutes from the lodge by safari vehicle.

BIG CAT CAPITAL OF AFRICA

The Seronera region is renowned for exceptional sightings of lions, leopards and cheetahs throughout the year.

THE GREAT MIGRATION

Nyaruswiga's central Serengeti location offers one of the longest windows during the year to experience the Great Migration, with the herds passing through and around the area, particularly from May to June and November to December.
